

The Pillars of Our Faith

A Faith Formation Program for the Whole Family

The Pillars of Our Faith is a program designed to help parents respond to the Church's call to be "the first and foremost educators of their children" and to help families grow in the transforming love of God by understanding and living the Catholic Faith.

This program is open to all who want to strengthen their understanding of their faith or for those that desire to expand their current knowledge. And if you have children in our Sunday program, here's an opportunity for you to stay while they are in class and learn something new!

The program's format encourages open discussions and dialogues that help build a strong faith foundation.
