

2020 Football Season

At this point, CYO is going forward with plans for the fall sport's season. If there are any changes in those plans, we will make adjustments as needed. Until then.....**Registration is open for the 2020 Season of the Northwest Catholic Saint's Fall Football Season.**

Football is a great sport to teach your child important life lessons, including hard work, discipline, physical fitness, persistence, and team work. CYO football is the only league that provides quality football instruction in a Christian Faith-based environment. The Northwest Catholic Football program helps incorporate those lessons while teaching skills, technique and Christian Values. We are looking forward to a fun and rewarding season!
