Written Information Documentation/Placement Contract

I, _____, the parent/guardian of _____ am placing my child in the state licensed preschool at St. Fabian Catholic School and therefore give permission for my child to be enrolled in the ¾ year old classroom as developmentally appropriate. The preschool will provide a safe and caring environment for my child to develop intellectually, physically, socially and emotionally. This will be done through daily activities including large and small muscle, communication, and academic skills that will promote a positive self-image.

St. Fabian Catholic Preschool has provided me with a written information packet/handbook that includes the following: Admission/withdrawal Criteria, Daily Routine and Schedules, School Policies including: fee, discipline, food service (self-provided), student absences/illnesses, program philosophy and Parent Notification Plan for accidents, injuries, incidents, and illnesses.

I am aware that I can find the following information posted on the Parent Information board outside the classroom: State License, Discipline Policy, Accident/Injury/Emergency Procedures, Staff Clearance and Background Checks, Daily Routines, and Safety Recalls.

Finally, it was made known to me that I can access St. Fabian Catholic Preschool's licensing notebook in the classroom during regular business hours. This notebook is complete with all the licensing inspection, special investigation reports, and related corrective plans.
