## September 25<sup>th</sup>, 2020

### Notes from the desk of Mrs. Jodway

Current enrollment is 242 for preschool through 8<sup>th</sup> grade. Thank you to all that gave referrals and encouraged new families to register. We welcome new families to our school community!

Thank you all for following the arrival and dismissal procedures. It is going very well due to your patience. Just a reminder to “stay in your lane” for the safety of all. It takes about 12 minutes for the entire lot to empty from the time the release bell rings. I do try to rotate lanes going first on different days.

Please initial or write your child’s name on their fleece jackets and/or sweaters. We are starting to already cumulate a lost and found of these items. It makes it so much easier to find the name inside, and deliver it directly to the right student. Thank you for your cooperation.

Picture retake day is set for December 16<sup>th</sup>. More details to follow when we get closer to that date.
